CATCHES TWO FISH ON SAME LINE

A. H. Matson, of Concord, N. H., lays claim to first honors as the champion disciple of Izaak Walton, the dean of fishermen.

According to a story related by him to local lovers of the sport, he recently caught twenty small perch in one hour at his summer home, at Deer Island, N. H. Then, feeling a stronger tug on the line than usually given by perch, Matson began a struggle. When his catch was finally safely landed he found that he had caught two.

A perch had taken his bait, and then a hungry pickerel, twenty inches long, had swallowed the perch he had already hooked.

POPE PIUS XI. TO SEE K. OF C. PICTURES

Pope Pius XI. will witness American news reel pictures of the Knights of Columbus Supreme International convention held in Atlantic City recently. A special reel is being prepared by the K. of C. showing, among other incidents, the presentation of the baton made from the altar of the Popes in the Vatican and presented to Supreme Knight James A. Flaherty by Commissioner Edward L. Hearn, of the K. of C., in the name of Pope Pius.

MONUMENT TO MINISTER WHO MADE HISTORY

Plans have been perfected for a monument to the Rev. Jesse Head, Methodist circuit rider, who married Thomas Lincoln and Nancy Hanks, parents of Abraham Lincoln. The body of Jesse Head, who was one of the notable figures in early pioneer history in Mercer county, the first white settlement in Kentucky, lies in Spring Hill cemetery in Harrodsburg in an unmarked grave.

The first steps to erect a stone to mark the spot was taken by Dr. Wm. E. Barton, of Oak Park, Ill., who is the author of several books on Lincoln, and who became interested in the history of the pioneer preacher during his researches. He made several trips to Harrodsburg and made the first donation to the monument fund. He was assisted in his researches by Miss Mary A. Stephenson, of Harrodsburg, who has done much to bring to light interesting local facts regarding Jesse Head.

It is proposed to have the marker of government standard bronze suitably inscribed, set on a slab of native stone. Contributions to the fund have been made from every section of the country. It is hoped also to place a marker at the grave of Mrs. Head. These will be erected with a suitable ceremony.

PAIR OF STOCKINGS FOUND IN BOBBED HAIR

Advocates of the "bobbed hair" movement have claimed, among other things, that it does away with insatiable covered "rats" and other artifices.

But not so!

During a jitney accident at Youngstown, Ohio, a young woman with bobbed hair was hurt. While in a faint she was carried into a nearby residence. Holding the smelling salts, the attending physician felt a hard substance at the back of her head.

He removed a pair of stockings.

MOTHER BADLY SHOCKED

A Mansfield, Ohio, mother was much embarrassed the other day when her small son insisted in one of the largest groceries of the city that he must have some "raisinjack." It later developed that the lad's craving was not for the home-made whisky substitute, but for cracker-jack instead.

BACKACHE IS A WARNING

Paris People Should Not Neglect
Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Paris testimony.

Thomas A'Hern, proprietor restaurant, 927 Pleasant street, says: "Doan's Kidney Pills are all right and I recommend them highly. I used Doan's some time ago when my kidneys were out of order and my back ached just over the kidneys. I had dizzy spells and felt sleepy. As soon as I began using Doan's Kidney Pills, which I got at Oberdorfer's Drug Store, I got relief and three boxes cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. A'Hern had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

CHINESE FLAPPERS WEAR STYLISH HATS

Chinese women are generally adhering to their custom of going bare-headed, but the "flapper" bug has bitten the younger generation, who are exhibiting a tendency to follow the European styles of hair-dressing and hats, according to a report to the Commerce Department from American Trade Commissioner Hoyt at Shanghai. The change is already marked in Shanghai, Hoyt said, and it is believed that an increased demand for women's hats will be evidenced within the next few years.

ORCHESTRA LEADER WANTS TO HEAR JAZZ

Fritz M. Reiner, distinguished musical director, has never heard American musicians play jazz music. He said so, but added that he wants to.

Reiner was in New York on his way to Cincinnati, where he is to become conductor of that city's symphony orchestra.

"I have heard so much discussion of jazz that one of my leading ambitions is to sit and listen to a good American jazz band," he said.

HAVE WE FOOD DRUNKARDS?

(Frankfort State Journal)

Kentuckians may be and no doubt are drinking less, but there hardly is any question but that they are eating more. Twenty years ago a restaurant was unknown in many of the smaller towns, but now scores of eating houses and lunch stands are to be found in any of them.

The eating habit seems to have developed with the rapid strides of motor car transportation. Whether the automobiles make for a better appetite is a question, but the fact remains that the people who ride in them usually are looking for "eats" in passing through any of the towns and keeps on increasing.

The fellow who was content to put away three square meals at home now must have additional "eats" between meals. The psychology of it may be that the people must do something and if they can not get anything with a "kick" to drink they will take it out in eating more.

DIES AT 103; LIFE UNUSUAL HISTORIC SPAN

John Hewitt, of Valley District, West Va., one of the oldest men in the State is dead, having succumbed at his home at the advanced age of 103 years and nine days. His funeral was attended by the largest throng that ever attended a funeral in the district. John Hewitt was born in 1918—the year that Florida was purchased, the same year that Alabama came into the Union and the year before Maine and Missouri became States. He was born before Lafayette's second visit and but four years before Napoleon's defeat at Waterloo.

Odd Argentine Custom.

When a seventh son is born in Argentina the President of the republic becomes his godfather, according to custom, so that the President always has quite a number of godsons, as large families are the rule in Argentina.

One Among Many.

The throwing of rice at weddings is denounced as a dangerous custom. But surely one additional danger at a wedding is hardly worth considering.
